Watch 'Home School Hub' on RTE2 from 11am-12pm  
You might like to try one of the tasks they set!

Maths

- Mental Maths (Wednesday)
- Practise skip counting in 10s - throw and catch a ball with someone for each count!
- Play <https://www.topmarks.co.uk/maths-games/mental-maths-train>
  - Choose addition or subtraction
- Revision: Writing Number Sentences
  - See page attached. Work through the questions and write the answers in your copy.
- Masterminds and Bright Sparks: Use a number of items in your house to create three of your own number sentences. For example, you might place five coins on the table along with three spoons. The number sentence for this would be: 5 coins + 3 spoons = 8 items altogether.**
- Wizz Kids: Write down 5 of your own number sentences using three numbers for each. E.g.  $7 + 5 + 4 = 16$ . Use numbers between 1 and 50!**

### History

- Happy April Fool's Day!
- Have a look at the PowerPoint 'April Fools Traditions from Around the World'
- A Jester was someone in the Middle Ages whose job it was to entertain royalty like Kings and Queens. He often told funny jokes, riddles or played some silly pranks to make people laugh.
- Pretend you are a Jester and think of 3 funny jokes to tell **OR** write out the instructions for a prank you will play on your teacher when we return to school (be nice please!) ☺

### Mindfulness

- Cosmic Kids Yoga - there are lots of videos to choose from <https://www.youtube.com/user/CosmicKidsYoga/videos>

I will read number stories and write number sentences.

**A** Write a number story under each picture.

1.

$$\square + \square = \square$$

2.

$$\square + \square = \square$$

3.

$$\square + \square = \square$$

**B** Write the number sentence.

- Mia had 5 sweets. Chloe gave her 10 more.  $\square + \square = \square$
- Lucky the cat caught 13 mice. Then she caught 7 more.  $\square + \square = \square$
- 8 children went to the zoo. There they met 21 more.  $\square + \square = \square$
- Emily the farmer had 31 sheep and 25 cows.  $\square + \square = \square$
- A builder had 3 hammers and 57 nails.  $\square + \square = \square$
- There were 22 players on the pitch. Then 3 referees came on.  $\square + \square = \square$

**C** Draw a picture to show each number sentence.

1.  $3 + 4 = 7$       2.  $10 + 4 = 14$       3.  $9 + 1 + 2 = 12$

4.  $2 + 5 + 1 = 8$       5.  $2 + 6 + 8 = 16$       6.  $0 + 11 + 3 = 14$
