Exercise:

Before any home learning gets done, it's a good idea to get in some exercise. There are plenty of options for this depending on family circumstances:

- Walk the dog for 30 minutes (if you don't have a dog, just walk without one!)
- Do a go noodle/ cosmic kids yoga/ RTÉ 10@10 video
- Every morning at 9am, Joe Wicks, the Body Coach is doing a live workout for kids on his YouTube Channel
- Continue to practise independent tasks such as tying laces, zipping coats, opening packets, fruits.

2.

Dictation:

A parent, older child can help with this;

The parent/older child calls out the words and the child will write them.

Start with them with simple cvc words (consonant vowel consonant words) get the children to stretch the sounds out loud before they begin to write. Ask what sound comes first? next? last?

Cat, at, sit, pig, in, tin, hen, net, it

Create a Thank You card to send to someone you know who is working hard to keep us all safe. It might be someone stacking shelves in a shop, a doctor, nurse or delivery driver. You can post your letter if you know their address or mum and dad can take a picture and send it to them or wait and give it to them when it is safe to see people again.
