# Science: Engineering

# English

- We are living through a historical time at the moment.
- In the future, children will learn about the Covid-19 pandemic as part of their history lessons.
- Imagine you are writing the history book that will be used by fourth class children in 50 years.
- What do they need to know? What facts do you think should be recorded? What questions might you ask them?
- Write the piece of text that you feel will appear in the history books in the future.

# Homework

- On Aladdin
- Make sure to read for 20 minutes
- Practise your tables!
