

Friday 3rd April

Physical Activity

- Do PE with Joe Wicks <https://www.youtube.com/playlist?list=PLyCLOPd4VxBvQafyve889qVcPxYEjdSTI>
- RTE 10 @ 10 <https://rtejr.rte.ie/10at10/>

English

- Spelling Test - Have a go at testing yourself on all of your words from Unit 13
- Fireworks pg. 65
 - Ex. 8 & 9
- Read for 15 minutes
- Leaping Lions, Cool Cats and Genius Gems (and anyone else who would like to try it!): An acrostic poem is a poem where each line begins with each letter in a word. Read some of the acrostic poems attached below. Write your own acrostic poem using the letters of the word EASTER; APRIL or SPRING.**

Watch 'Home School Hub' on RTE2 from 11am-12pm
You might like to try one of the tasks they set!

Maths

- Mental Maths (Friday)
- Practise skip counting in 2s, 3s, 4s, 5s, and 10s. Throw and catch a ball for each count. Challenge yourself and try skip counting in 6s or 7s!
- Play <https://www.topmarks.co.uk/maths-games/hit-the-button> (Revision of addition and subtraction facts)
 - Choose 'Number Bonds'
 - Choose from the options under 'Up to 10' or 'Up to 20'
- Revision: Data
 - See page attached. Work through the questions and write the answers in your copy.
 - Ex. C Create a block graph of **your family's** favourite ice-cream flavour.

- ❑ **Masterminds and Bright Sparks:** Write down as many ways you can make up the number 10. Then try writing down as many ways as you can think of to make up the number 20. (For example; 1+9, 5+5..... now you try to get the rest for the number 10 and the number 20!)
- ❑ **Wizz Kids:** Challenge yourself by trying to think of the numbers we can use to make up the number 30.

Art

- ❑ Here are some Easter inspired art ideas you might like to try today or over the two week break! All ideas can be found on Pinterest, just type in 'Easter art for kids' and have some fun!

Mindfulness

- ❑ Cosmic Kids Yoga - there are lots of videos to choose from <https://www.youtube.com/user/CosmicKidsYoga/videos>
- ❑ GoNoodle Empower Tools Channel 'Live in the Moment'

Golden Time/Your Choice!

- ❑ Easter egg colouring (see file attached)
- ❑ Play a board game
- ❑ Play a card game

□ Animate a name on Scratch <https://scratch.mit.edu/> (Go to create - tutorials - animate a name)

I will learn
about data

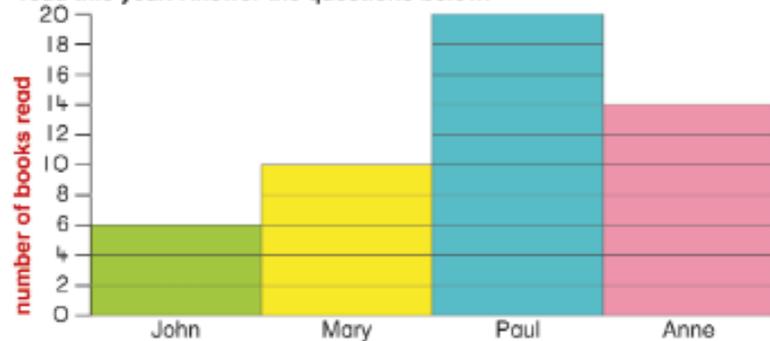

A Write the missing numbers.

- I have toes altogether.
- There were 20 children in 2nd Class. There were 5 boys and girls.
- There are 9 beads on a necklace. I added 8 more.
There are now beads on the necklace.
- There are 11 children on a football team.
There are children on 2 teams.
- A chair has 4 legs. There are legs on 4 chairs.

B This block graph shows the number of books that 4 children have read this year. Answer the questions below.

- Who read the most books? _____
- Who read the least books? _____
- How many children were in the survey?
- How many more books did Paul read than John?
- How many fewer books did Mary read than Anne?
- How many books altogether did John and Anne read?
- How many books did Mary and Paul read altogether?
- How many books did Paul, Anne and Mary read altogether?

C In your copy. Create a block graph of your class's favourite ice-cream flavours. Make up 10 questions to ask your partner based on your graph.

Easter

Easter eggs brightly coloured,
All the lambs dancing in fields,
Sleepy animals waking up,
The blossoms budding on trees,
Every bird singing a sweet song,
Rabbits racing through grass.

EASTER!

Spring is awesome because it is warm and beautiful.

People love spring because of the sun shining and the sunset.

Rainy days in the spring.

I love spring because it is nice outside.

Nothing is better than spring.

Gardens everywhere in the spring.
