

Tuesday 31<sup>st</sup> March

Physical Activity

- Do PE with Joe Wicks <https://www.youtube.com/playlist?list=PLyCLOPd4VxBvQafyve889qVcPxYEjdSTI>
- RTE 10 @ 10 <https://rtejr.rte.ie/10at10/>

English

- My Spelling Workbook Unit 13 - Page 53 Question 10
- Sentences (ladybird, eighteen, seventeen)
- Put each of these words into sentence that show their meaning
- Fireworks pg. 61
  - Read 'Big Ted's Barbecue' and underline all of the nouns
  - Draw all the things Ted put onto the barbecue
- Read for 15 minutes (Write down on a page any adverbs you find)
- Leaping Lions and Cool Cats: Choose a noun, pronoun, adjective, and verb from your book and tell someone what each is.**
- Genius Gems: Read the Easter poem below (Finding a Treat) and draw a picture to represent what you picture in your head when you read it.**

Watch 'School on TV' on RTE2 from 11am-12pm

Maths

- Mental Maths (Tuesday)
- Practise skip counting in 3s and 5s - throw and catch a ball with someone for each count!
- Play <https://www.topmarks.co.uk/money/toy-shop-money/eur>
  - Choose Mixed Coins - Exact Money Column - Up to €1 or €1-€5
  - Challenge: Choose Mixed Coins - Give Change Column - Up to €1
- Revision: Money
  - See page attached. Work through the questions and write the answers in your copy. You don't have to print anything.
- Masterminds, Bright Sparks and Wizz Kids: If you are 7 years of age, write down all of the different coins you could use to make up 7 euro. Do the same for 8 if you are 8 years old, and the same for 9 if you're 9.**

Geography

- Draw a birds-eye view of a room in your house. It could be your bedroom, the kitchen or the sitting-room - you choose!
- A birds-eye view is how the room would look if a bird was flying overhead and looked down. I've attached an example of a birds-eye view of a bedroom if you're unsure.
- You don't need to include too much detail, just the furniture and space where the window and door is.

#### Mindfulness

- Cosmic Kids Yoga - there are lots of videos to choose from <https://www.youtube.com/user/CosmicKidsYoga/videos>
- GoNoodle Empower Tools Channel 'Get Energised'

#### Other Suggestions

- Choose an activity from the At Home Activities grid
- Do a Maths Noggle (see attached)
- Watch Science with Maddie Moate live at 11am <https://www.youtube.com/user/maddiemoate>
- Listen to a story on <https://www.worldofdavidwalliams.com/>
- If you are entering Catherine's Story Competition, continue to work on your story!

# Finding a Treat

Hippy hop, hippity hop.  
Will the Easter Bunny stop?  
Will he leave a treat behind,  
An Easter basket for me to find?

I'll look over here,  
I'll look over there,  
I'll look behind things,  
I'll look everywhere  
I'll look until I find my treat,  
And then I'll sit right down and eat.
